# PICCADILY SUGAR & ALLIED INDUSTRIES LTD.

Currently there are approximately 65 different types of industries in India. Sugar industry is the largest agrobased industry which produces sugar for the direct consumption of households and bulk customers and also produces important by-products like molasses, bagasse, ethanol, press mud etc. The industry employs millions of people in the country, and support the families of 5.5 million farmers spread across seven main sugar producing states in the Country.

Cane crushing for the current sea son 2013-2014 is almost over, bearring few sugar mills in Tamilnadu, which are still open. The Sugar production in the current season is expected to be at 238 lakh tons, which is 5.3% lower than last year, but with a carry forward sugar stock of 93 lakh tons from the last sugar season , the balance in the country is still high. The cane farmers have toiled hard to ensure that the country gets surplus sugar production for the fourth year in a row (Source ISIMA).

But the surplus sugar production is hardly good news for the sugar mills. The financial crisis of the sugar mills compounded when it failect to recover the cost of producing sugar, due to unremunerative prices of sugar in the domestic retail mark et. The average sugar prices during 2013-14 sugar season have prevailed below the cost of production.

The revenue sharing formula as suggested by the expert committee under Dr C. Rangarajan, which is prevalent in all major sugar producing countries including Brazil, Thailand, Australia, Kenya, Tanzania etc., between farmers & sugar mill should be implemented from the next crushing season of 2014-15.

#### Distillery

The Excise & Taxation Department of Punjab in its Excise Policy for the year 2014-2015 has fixed the sale price of country Liquor (Ex Distillery issue price) Rs.275.04/-for quarts, Rs.309.43/- for Pints and Rs. 365.11/- for Nips per case.

New brands of country Liqour are developed on the basis of detailed market survey of the entire state of Punjab. The new brands are all set to be launched shortly. Company expects better acceptance of the total range of our products in all over Punjab, which in turn will make our profitability better.

#### **Outlook**/ Projection

The company's projection on crushing of Sugarcane for the current year 2014-2015 is on the basis of availability of sugarcane.

The company will supply the entire quota of Punjab medium Liqour all otted to its distillery by Govt of Punjab and will make all out efforts for the lifting of open quota.

#### **Risk and Concern**

The steep escalation in the prices of sugarcane & raw materials will adversely affect profitability of sugar mill & other products of the company.

Competition from other Distilleries will adversely effect the sales of the company.

#### Internal Control System & their Adequacy

The auditors have felt that the company has a reasonable system of authorization at proper levels with necessary controls on the purchasie of sugar cane, issue of materials and components & other related system of Internal control is commensurate with the size of the company. They also felt that the company has a reasonable system of recording receipts of raw materials and components and the company is recording the sales and purchase through the software. The Software engineers regularly check software programme.

#### Material Development in HRID/IR

The company has appointed regular staff, technical staff, cane staff along with contractual & seasonal staff for the efficient working units of the company.

The Company's Management is responsible for the preparation of these financial statements that give a true and fair view of the financial posi-The Company's Management is responsible for the preparation of these financial statements that give a true and fair view of the financial posi-tion, financial performance and cash flows of the Company in accordance with the Accounting Standards notified under the Companies Act, 1956 (the Act) read with the General Circular 15/2013 dated 13th September, 2013 of the Ministry of Corporate Affairs in respect of Section 133 of the Companies Act, 2013 and in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility:

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by The Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstate-

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the over-

#### PICCADILY SUGAR & ALLIED INDUSTRIES LTD.

#### SIGNIFICANT ACCIONTING POLICIES BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The Company prepares its accounts on accrual basis, except otherwise stated, in accordance with the normally accepted Accounting Principle's and Accounting Standards & Relevant Provisions of The Companies Act, 1956.

The financial statements are prepared on accrual basis under the historical cost convention and on the basis of going concern.

#### **USE OF ESTIMATES**

The preparation of financial statements in conformity with Accounting Principles generally accepted in India, requires judgements, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the fin ancial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known/materialised.

#### Fixed Assets & Depreciation :

Fixed Assets are stated at their original cost of acquisition including all related expenses on acquisition and installation. Depreciation on fixed assets (includes composite depreciation charged on factory building and other building) has been provided on straight line method on pro-rata basis as per rates briefed in schedule - XIV of the Companies Act, 1956. Fixed Assets individually costing less than Rs. 5,000/- are depreciated at the rate of 100% in the year of purchase.

#### Inventories:

| Raw Material                     | At cost on FIFO basis   |
|----------------------------------|---|
| Work in Process                  | : At estimated cost including expenses attributable to production on per  |
| Finished Goods                   | centage completion basis/ Net Realizable value, whichever is low.<br>: At weighted average cost/net realizable value which ever is low, including |
| By Products<br>Stores and spares | Excise duty and all expenses attributable to production.<br>At Net realisable value inclusive of Excise Duty.                                     |
| INVESTMENTS                      | . At cost   |

#### INVESTMENTS

Current investments are carried at lower of cost and quoted/fair value, computed category-wise.

Long-term investmen's are stated at cost.

#### RECOGNITION OF INCOME AND EXPENDITURE

Sale are recognised when goods are supplied and are recorded net of rebates and sale tax but inclusive of excise duty. Expenses are accounted for on accrual basis.

#### **CURRENT & DEFER RED TAX**

Tax expense comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid to the tax authorities, using the applicable tax rates. Deferred income tax reflect the current period timing differences between taxable income and accounting income for the period and reversal of timing differences of earlier years/period. Deferred tax assets are recognised only to the extent that, there is a reasonable certainty that sufficient future income will be available except that deferred tax assets, in case there are unab sorbed depreciation or losses, are recognised if there is virtual certainty that sufficient future taxable income will be available to recilise the same. Deferred tax assets and liabilities are measured using the tax rates and tax law that have been enacted or substantively enacted by the Balance Sheet date.

## PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provision is recognised in the accounts when there is a present obligation as a result of past event(s) and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made. Provisions are not discounted to their present value ancl are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognised nor disclosed in the financial

Accounting policies not specifically referred to are in consistent with generally accepted accounting principles.
